**Tennessee's most effective lobbyists, legislative staff  
and business leaders count on Tennessee Legislation  
Service to:**

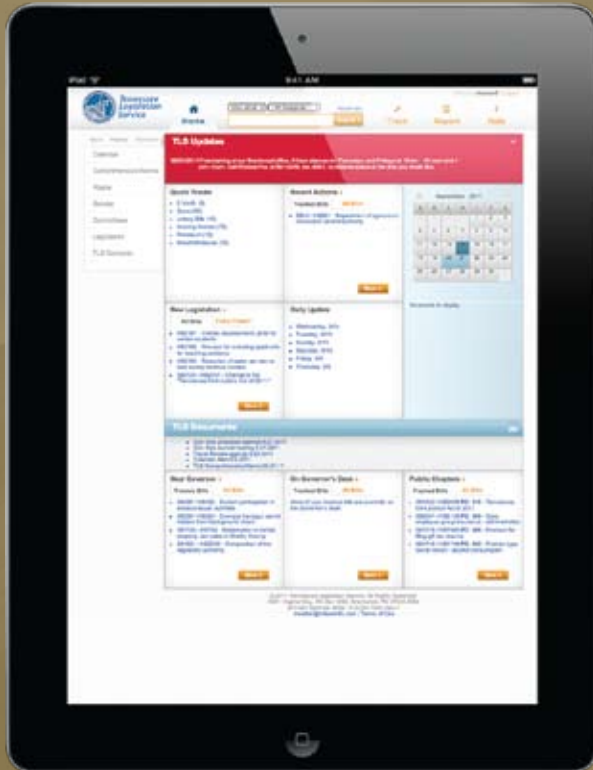

- Report the status of bills of critical interest
- Alert users to new legislation, and the leaders behind it
- Uncover relevant caption bills
- Review the full text of bills
- Create client reports with just a few mouse clicks
- Provide real-time updates on committee action
- And much more

Access this critical Tennessee legislative information  
on an iPad, Laptop, Smartphone, and in print—how  
you need it, when you need it.

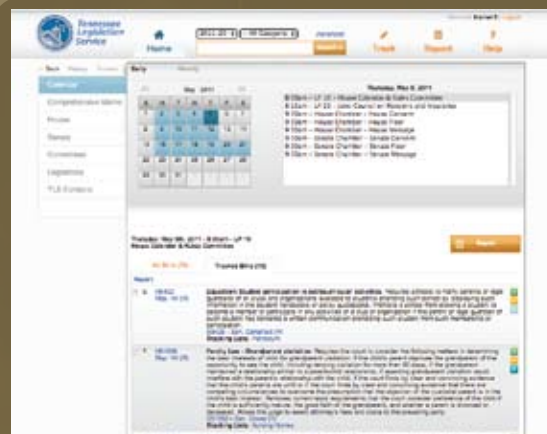

“

**Tennessee Legislation Service is the tool, the main tool, I use. With the click of a button I can send my clients bills to review in customized report formats. I have nothing but positive things to say.”**

**David Locke,**  
BlueCross BlueShield  
of Tennessee

The **TLS User Dashboard** makes it easy to access rich service features and track bills of interest.

**Calendar View** delivers at-a-glance committee schedules, bill status, and procedural developments.

**Legislator Profile** provides valuable contact information, committee assignments and hard demographic and statistical data about legislative districts.

**Committee Profile** pages instantly tell you who to contact to make your voice heard, instantly.

Access this critical Tennessee legislative information on an iPad, Laptop, Smartphone, and in print—how you need it, when you need it.

*Act more effectively on legislation  
affecting clients, association  
members, or constituents.*

## *Put Tennessee Legislation Service to work for you.*

To track and act on pending Tennessee legislation, without hiring a staff, running from committee to committee, or trying to be in two places at once, there's only one solution . . .

### **Tennessee Legislation Service.**

For over 30 years, **Tennessee Legislation Service** has been the #1 source for up-to-the-minute, accurate, comprehensive information on what Capitol Hill is doing and how it affects specific constituencies. It saves money, time, frustration and headaches.

### **Fast answers, whenever, wherever with TLS's best-in-class web-enabled delivery technology for iPad, mobile device, laptop and desktop**

When you add **TLS** to your professional toolbox, you'll have everything you need to:

- Track bills of interest in real-time based on the full bill text, what bills really do, amendments, or captions
- Stay alert to newly introduced bills affecting your interests, *automatically suggested by your past searches*
- Uncover caption bills amended to affect your interests, and monitor bills with broad captions
- Find bills by bill number, subject matter, public chapter number, TCA section, sponsor, or action date
- View and print the full text of bills
- Create custom client reports quickly and easily
- Track bill status and actions using your own custom calendars
- Learn of committees' actions – in real time

- Instantly find a bill's history in both houses
- Find and read Attorney General Opinions on legislation

**Tennessee Legislation Service** delivers the insider intelligence you need — when you need it — on the platform you use the most.

### **Bonus Updates deliver information you need to act quickly:**

Each morning, you get a summary of new bills and amendments arranged by subject and tracking all activity from the previous day. And your Weekly Comprehensive Memo summarizes current-status information about every bill, categorized by subject for quick access. Your Weekly Calendar lists all Senate and House floor sessions, committees, and subcommittees, along with summaries of each bill on the calendar, its status in the other chamber, and how it's been amended.

### **Always available customer service**

With more staff members than any other press organization on the Hill, we're eager to answer your questions in person, by email or by phone, in and out of session. Our team has over 30 years of collective experience in the legislature and can update you on the latest action on any bill, the latest meeting schedule changes, and more. Always immediately responsive, accurate, and committed to helping you meet your objectives.

### **Custom client report tools help you shine**

With just a few clicks, you can create custom client reports that summarize the status and fate of critical legislation. Then *add your own position statements and analysis of each bill*. Create personalized status reports for each client or each client department, automatically updated either daily or weekly.

### **Store, Share, Collaborate**

The **TLS** website allows you and your colleagues to create bill tracking lists for one another, share commentary on legislation and collaborate on addressing the bill. You can also assign priority and positions on bills. The website stores your work and saves it for the next person in your organization, cutting down on paper costs and time. You can also print your priorities, positions, tasks and additional commentary on legislation with your calendars or bill reports.
